

## **2nd Baptist Church of Grandview's History**

### **The Full Story**

Our church has a rich history, starting in 1978 when Pastor Donald D. Ford established it. The church has grown and flourished over the decades with a foundation built on faith and community. Today, under the inspiring leadership of Bishop John Lewis Jr., we continue to uphold our traditions while embracing new ways to serve and engage our congregation. Our mission remains steadfast: evangelizing sinners, engaging worshipers, and equipping saints.
