

WMU Sunbeam Promotion

“Taking The Steps”

On Sunday, June 25th, 2022 Deryn Waldrup and Bronze Withers took the Sunbeam steps and were promoted to Red Circle Girls after answering a series of questions. This year due to COVID, the churches were encouraged to have the event take place at their individual churches. They will reconvene at the New Era District Annual Session on July 20, 2022 at Haven of Rest Baptist Church where they will be awarded their official certificates. Great job young ladies!
