Subject: Re: Subject Support for LHPB

Dear my beloved sister Jackie Brown

God bless you

I am very very happy to hear from you this new year and not to late also to say to you: Happy new year 2022' May peace, joy health, blessings, protection, happiness etc. of the Lord be with you and your group.

At, LHPB we are doing well. All the kids going to school and making progress. I have one girl, she is in last year nurse. One of the boy starting his first year agronomy. another one in plumbing. Please continue and help me pray for them.

Thank you for still remember to support me with the kids only my great Father Lord will reward you for that. Be courage, your love, supports etc for God works will not in vain. Sad to hear how is cold on your country USA. but Haiti is normal. except insecurity and so many people also got sick with fever, cough and headache. but God is an control.

Please give my hello, greetings to all of my brothers and sisters supporters and prayers. Thank you.

Love you all

Bro. Francois Romelus
