

New Era Missionary Baptist District Association
Ministers Wives and Widows Fellowship
113th Annual Session Report
Rev. Gregory P. Nichols - Moderator

‘As for the rich in this present age, charge them not to be haughty, nor to set their hopes on the uncertainty of riches, but on God, who richly provides us with everything to enjoy. They are to do good, to be rich in good works, to be generous and ready to share, thus storing up treasure for themselves as a good foundation for the future, so that they may take hold of that which is truly life.’
1 Timothy 6:17-19

The Ministers Wives and Widows were challenged this past year to use the power of prayer to support our family, friends, and community, city, state, nation and the world. We continued as prayer warriors not just when called upon but continually, without ceasing.

We are continually praying for those within our ranks who have health challenges and are not able to join us on a regular basis.

We have committed to placing a priority on our 1st Saturday of each month meeting. We invite all ministers wives and widows in the district to join us.

Covid-19 has plagued this world and kept us quarantined yet it has not plagued or quarantined our Spirit.
