

Report of the NED Laymen, February 2026

Since our last Quarterly session, the Laymen have continued in it's mission of service to God, application of the Gospel, and fellowship with the New Era District.

We have completed another special project for a senior disabled member. We have faithfully continued holding our Early Morning Service. Members have continually worked, serve, and mentored in the Good Dads program sponsored by The Mt. Sinai Baptist Church.

We have followed and supported the Moderator of our district in the carrying out of his administration. We have visited sick and shut in members. We have been involved in food banks, clothes drives, school supplies, and aid to less fortunate members of the community.

We have supported other New Era auxiliaries in their events and services.

We look forward to the service and future of this Ministry of and in the name of Christ the Savior.
